The screenshot displays the iNewNotes361 application interface. At the top, the status bar shows the carrier '電信業者', the time '12:49 PM', and the battery level '100%'. The app title 'iNewNotes' is centered, with a '+' icon on the right. Below the title, 'Notes (2)' is displayed in red. A search bar on the right contains the placeholder text '輸入關鍵字'. On the left, there are navigation icons for a grid and a list. The main content area is divided into two columns. The left column is a sidebar with categories: '喜好項目', '文件' (with a folder icon), and '標記'. Under '標記', there are color-coded options: 紅色, 橙色, 黃色, 綠色, 藍色, 紫色, and 灰色. The right column shows a list of notes. The first note is titled 'Kutech company always' and has an information icon. The second note is titled 'The portable noteboo' and also has an information icon. The right side of the screen shows a detailed view of the second note, containing the text: 'Kutech company always persists in giving consideration to both technology innovation and quality. The software can have inexhaustible innovation and creation; therefore, it's enchanting. The recent technology develops in order to meet the user's needs. The renovation of the consumer software one good example.' Below the text, statistics are shown: 'Words: 310', 'Unlock', two dashes, the date '2014-02-08', the day 'Saturday', and the time '12:49:03'.
